

WEDDIN MOUNTAIN MUSTER

Sub-committee of the Grenfell PAH&I Association Inc

President: Melanie Cooper

Vice President: Bill White

Vice President: Virginia Drogemuller

Secretary: Rebecca Maslin

Treasurer: Karen Casey

2024 WEDDIN MOUNTAIN MUSTER TRAIL INFORMATION

Trail information for the 2024 Weddin Mountain Muster rides is outlined below. The Weddin Mountain Muster Committee reserves the right to make changes to the program as deemed necessary.

Please note: A loop ride means that morning tea and lunch will be in the same spot. There is an option for riders to remain at the morning tea site, unmounted, and wait for the ride to return for lunch, and then ride home.

Monday 30th September 2024

Ride: Eualdrie New

Ride Length: Approximately 28km

Track Condition: A combination of tar road, highway crossings, stock route, rocky outcrops, cropped paddocks, grazing land and open paddocks, rocky farm tracks, steep climbs and descents, dry & wet creek crossings.

Tuesday 1st October 2024

Ride: Bogolong Loop

Ride Length: Approximately 25km

Track Condition: A combination of fire trails, rocky farm tracks, cropped paddocks, grazing land and open paddocks, dry & wet creek crossings, single file bush tracks, thick timber, fallen timber, steep hill climbs and descents.

Wednesday 2nd October 2024

Ride: Town Ride

Ride Length: Approximately 10km

Track Condition: Predominantly tar road within town limits, some grass and gravel tracks, multiple road crossings, start and stop for traffic. We ride in close proximity to residential houses where domestic pets such as ponies and dogs often get excited by the Muster horses. Fancy dress is worn on this day. Horses will need to tolerate not only their own costume but others, which may be bright and flap or make noises. This ride also involves a parade down the Main Street of Grenfell where people often line the streets to cheer the horses and their riders on.

Wednesday afternoon – Grenfell Pony Club Sporting

A fun filled afternoon for all muster riders tackling a combination of regular pony club sporting events in the sand arena and grassed show ring such as:

- Bending
- Flags
- Barrels

Thursday 3rd October 2024

Ride: Quondong Ride

Ride Length: Approximately 28km

Track Condition: Combination of tar roads, highway crossings, gravel roads, stock routes, cropped paddocks, grazing land and open paddocks, rocky outcrops, multiple hill climbs and descents.

Friday 4th October 2024

Ride: Adelargo Ride Loop

Ride Length: Approximately 28km

Track Condition: A combination of tar road, rocky fire trails, farm tracks, cropped paddocks, grazing land and open paddocks, dry & wet creek crossings, single file bush tracks, thick timber, steep hill climbs and descents.
